

## **Half Day Heritage Tour – Castle Cornet**

Meet coach and guide and go west, to Guernsey's country parishes and explore valleys and leafy lanes. Look out for the Ruettes Tranquilles - the low speed lanes where walkers, cyclists and horse riders have priority. Learn of Guernsey's fascinating history, myths and legends.

Stop off at one of Guernsey's attractions for a refreshment stop before taking the coast road back to St Peter Port.

Visit Castle Cornet before returning to the ship, Guernsey's impressive thirteenth-century fortress that guards the entrance to St Peter Port harbour. Lose yourself in the castle's fascinating museums and enjoy the panoramic views back over St Peter Port. Relax in General Lambert's garden, restored to its original glory, from the days of his imprisonment.
