December	26	34	39	

* There was a wave of cases of the Omicron variant of COVID-19, which impacted on the ability to collect full data in March & April 2022

in July, August or September and troughs in January each year. This pattern was severely disrupted in 2020 during the COVID-19 pandemic, but can be seen again in 2021 and 2022.

COVID-19 related requirements were put in place for people travelling into Guernsey in February 2020 and remained in place throughout 2021 with no non-essential travel allowed between 12th March 2020 and 20th May

2020 or between 14th January 2021 and 22nd March 2021. The requirements varied depending on the country of origin and vaccination status of the traveller. All COVID-19 related travel restrictions were lifted on 17th February 2022.

Temporary planning exemptions were introduced during the COVID-19 pandemic. From 25th March 2020, providers of visitor accommodation have been permitted to accommodate non-visitors and long-stay residents all year round, provided that the establishments revert to their usual use for visitor accommodation once the temporary exemptions cease to apply (on 31st December 2023). Exemptions allowing long-stay visitors would normally apply only to self-catering establishments during the Winter Let period from 1st November to 31st March each year.

There was a wave of cases of the Omicron variant of COVID-19, which impacted on the ability to collect full data in March and April 2022. Please note that the statistics from May 2022 onwards have been restated since the last publication of these statistics, so that they are comparable
